Re: *Par Pharm., Inc. et al. v. Sandoz Inc.*,
Civil Action No. 3:18-cv-14895-BRM-DEA

Dear Judge Arpert:

Our firm represents Plaintiffs Par Pharmaceutical, Inc., Par Sterile Products, LLC, and Endo Par Innovation Company, LLC (collectively, “Par”) in the above-captioned suit. We write to request an extension to several of the upcoming interim deadlines in this case, which will not affect the overall case schedule. In particular, Par requests that the Court extend the following case deadlines:

<u>Event</u>	<u>Present Deadline</u>	<u>Proposed New Deadline</u>
Par Disclosure of Asserted Claims and Infringement Contentions and Response to Invalidity Contentions (<i>see</i> L.Pat.R. 3.6(g)-(i))	May 9, 2019	May 29, 2019
Exchange of Proposed Terms for Constructions (<i>see</i> L.Pat.R. 4.1(a))	May 23, 2019	June 10, 2019
Exchange of Preliminary Claim Constructions and Supporting Evidence, and thereafter meet-and-confer to narrow the issues (<i>see</i> L.Pat.R. 4.2(a))	June 13, 2019	June 24, 2019
Parties Exchange Intrinsic and Extrinsic Evidence to Oppose Other Party’s Claim Constructions, and thereafter meet-and-confer to narrow the issues (<i>see</i> L.Pat.R. 4.2(b))	June 27, 2019	July 8, 2019

No subsequent dates need be changed, including without limitation the date for the Markman hearing or final pretrial conference.

The reason for the request is that our team has multiple trial commitments in the coming weeks that will interfere with our ability to timely meet the existing deadline for disclosure of Par's responsive infringement and validity contentions. The other deadlines in the chart above are extended to accommodate the extension of that deadline without impacting subsequent case deadlines. We have conferred with counsel for Defendant Sandoz, Inc. and they consent to the requested extensions.

If the requested extension meets with Your Honor's approval, we respectfully request that you indicate by signing "So Ordered" on this letter as indicated below. We are available to discuss the request at Your Honor's convenience should you have any questions or concerns about it.

Respectfully submitted,

/s/ Brian M. Goldberg
